

This product aids in the protection of the skin from irritants such as mold, mildew, inks, salts, acids, corrosive alkalis, solvents, gasoline and other chemicals. Forms a barrier to prevent grease, paint resins, soil, ink and mildew/mold from penetrating the skins pores and creases. Keeps skin cleaner, minimizing cleanup time.

For use in the following industries: petroleum, automotive, printing, aircraft, plastics, metal, paint, chemical, landscaping, mold remediation, and research laboratories.

DIRECTIONS: SHAKE WELL. Apply a generous amount into hands and rub well into skin, covering all areas including around and under fingernails. Apply to any skin surface where protection is desired. For removal, apply soap and work well prior to rinsing. Reapply when desired.

Organo Shield

Danger: Extremely flammable aerosol. May cause an allergic skin reaction. Keep away from heat/sparks/open flames/hot surfaces. No smoking. Do not spray on an open flame or other ignition source. Pressurized container: Do not pierce or burn, even after use. Avoid breathing mist or vapor. Contaminated work clothing must not be allowed out of the workplace. Wear protective gloves. Protect from sunlight. Do not expose to temperatures exceeding 49°C/120°F. Dispose of contents/container in accordance with local/regional/national/international regulations.

First Aid: IF ON SKIN: Wash off with soap and water. If skin irritation or rash occurs: Get medical advice/attention. Wash contaminated clothing before reuse. IF SWALLOWED: Rinse mouth. Do NOT induce vomiting. IF IN EYES: Rinse cautiously with water for several minutes. Remove contact lenses, if present and easy to do. Continue rinsing. If eye irritation persists: Get medical advice/attention. IF INHALED: Remove person to fresh air and keep comfortable for breathing. Call a poison center/doctor if you feel unwell.

CONTAINS (CAS No.): 1,2-Propanediol (57-55-6), Butane (106-97-8), Isopropyl Myristate (110-27-0), Polydimethylsiloxane (63148-62-9), Palmitic Acid (57-10-3), Propane (74-98-6), Triethanolamine (102-71-6), 4-chloro-3,5-xyleneol (88-04-0).
