MADE IN USA

Net Contents: 32oz (0.946 Liters)

Precautionary Statements

Wear eye protection and rubber gloves during use. Every surface is different, so always apply on an inconspicuous area before using. Will etch glass if not rinsed immediately.

Spray surrounding plants and grass with water before and after use.

Do not apply to any paint, stain, or surface containing iron oxide pigments. Let dry and wait for test results before application.

DANGER: HARMFUL IF SWALLOWED. MAY CAUSE BURNS WHICH MAY NOT BE IMMEDIATELY APPARENT.

Contains Oxalic Acid and ammonium bifluoride. Avoid contact with eyes and skin. Use only in well-ventilated outdoor or open-air environments. Avoid breathing vapors and mist. Do not ingest. Wear chemical-resistant gloves and eye protection during use.

FIRST AID:

IN CASE OF EYE CONTACT immediately flush with water, remove any contact lens, continue flushing with water for at least 15 minutes, then get medical attention.

IF SWALLOWED do not induce vomiting. Immediately call the Poison Control Center at 1-800-222-1222, hospital emergency room or physician for instructions.

IN CASE OF SKIN CONTACT, wash with soap and water. If irritation persists, get medical attention.
